LIGHT WORTHY

BY VIKKI LUNA- FOUNDER

What an awesome start to a brand new year! We finally got a NEWer, white, 15 passenger van with dual airconditioning. What an answer to prayers. Our 6 unit apartment complex is now free of all previous tenants, interior painting is complete, three girls are occupying with another two soon approaching their ready date. We've installed beautiful gates, furnishings, essentials and decor. To top all of this off, we're getting brand new windows on L. St. YOU and the Lord have provided well. Thank you!

LadyB.U.G.? Vikki shares with the ladies that in addition to learning to be a lady, B is for bold, U unswerving and G Godly. We teach them to have a voice, to be committed and live a life abandoned to Christ. Recently, we had a 19 year old join us. A previous victim of sex trafficking and riddled with anxiety. We bought her a ladybug squishy pillow for security. She is doing well, is no longer needing to attach to the squishy and will graduate in May! She is enjoying the love she feels and says she's a LadyB.U.G. for life!

EVENTS

MARK your calendars! Our annual GALentine Tea is just around the corner. Such a fun event to be with the girls, have a little lunch and enjoy a lot of laughter. It's a wonderful opportunity to decorate your table, bring a tasty treat and enjoy the entertainment and games. If you'd like to host a table, call our office and we'll make room for you!

GRADUATION; What each gal looks forward to. Last year the room was packed with several family members, friends, city leaders and ministry partners. A beautiful event coordinated by one of our alumni. Please join us for a special time of acknowledging and applauding the great success of the ladies we serve. Be sure to bring your tissue, the stories are inspiring and the transformation, undeniable!

BE THE LIGHT IN SOMEONE'S DARKNESS

Meet Ashley. A 20 year old mother of two babies. Ashley was living in a tent and addicted to meth. Depleted of any joy, hope or self worth, she made the hard choice of leaving her comfort zone and entering into our services. Ashley is such a treasure. Hard working, positive and determined to be an amazing mother. She's soaking in the education, spilling out the hard stuff during therapy and looking forward to a new life. She will soon enter phase II and become employed. Please continue to pray for her as we continue to train her, and consider becoming a financial partner to help Ashley and other young women just like her...the little one's are depending on it.
